BitPay (BPY) Privacy Policy

1. Introduction

BitPay (BPY) values your privacy and security. This policy outlines how we collect, use, and protect your information when using our website or any services related to the BPY token.

2. Information We Collect

BitPay **does not automatically collect personally identifiable information** such as your name, address, or email. However, we may collect anonymous data to enhance user experience, including:

- IP address
- Device and browser type
- Site interaction data (web analytics)

3. How We Use Information

The data we collect is used exclusively to:

- Improve website performance
- Analyze traffic and user behavior
- Detect and prevent malicious activity

4. Cookies

We use cookies and similar technologies to analyze site traffic and enhance navigation. By continuing to use the site, you consent to our use of cookies.

5. Information Sharing

BitPay **does not sell or share** data with third parties. Anonymous data may be processed by services like Google Analytics for statistical purposes only.

6. Security

We implement appropriate technical and organizational measures to safeguard the collected information. However, in a blockchain context, security is also a shared responsibility with the user.

7. Third-Party Services

Our site may include links to external platforms such as PancakeSwap, MetaMask, or BscScan. We are not responsible for the privacy practices of these third parties.

8. Changes to This Policy

We reserve the right to update this policy at any time. Any changes will be reflected on this same page.

9. Contact
